

— ABOUT — COGNITIVE

Founded in 2009 as an MOE-registered school, Cognitive Development Learning Centre offers specialised academic intervention for preschool, primary and secondary school children, based on the MOE syllabus. Our customised education programme and the experience of our learning specialists have allowed the Centre to establish itself as one of the market leaders in special needs education.

A LOCATION IN THE HEART OF THE WEST

The Jurong East MRT station links the North South Line to the East West one, making it one of Singapore's most accessible interchanges. With our home at Blk 130 a short walk away, it has never been more convenient to get to Cognitive Development Learning Centre.

Planning to visit us by bus? Jurong East Bus Interchange is a terminal for buses from all around the island. Alternatively, the nearest
